Current News:

KNGHA would like to thank all the members who participated in the Demo & Expo that was held on May 13th 2006. Everyone worked hard to make this event the success that it was. Each horse present represented KNGHA beautifully; they are something to be very proud of.

Also, JSW Miniature Horse Farm brought to the Demo & Expo a World Champion miniature stallion, and a mare & foal. For those of you that were unable to attend I'm sure you can imagine what a huge success this was. These little guys brought a smile to every face in attendance.

KNGHA would like to express our gratitude and many thanks to Wrigley's 7-11, JSW Miniature Horse Farm, and Keeps for their donations that were used for door prizes and promotion, and to all the individuals and businesses that donated items for the auction. Also, a special thank you to all the vendors that were in attendance: KEEPS, JSW Miniature Horse Farm, Wade Stewart, Morgan Co. F.F.A., Just For Kicks Stables, Castle

Printing, Cassandra Russell, West Liberty Nursing Home & Rehabilitation, and Helping Hands Animal Shelter.

The feedback that we have received from the Demo & Expo has been very positive, so we are planning on this being an annual event, with next year being even better.

We would like to remind everyone about the Parent-Proven Special:

Register your parent proven horse now thru December 31st, 2006 for the discounted price of \$60.00.

Events:

Breeds Demonstration will be held at the Kentucky Horse Park on August 7th & 8th. You may contact Greg Burton at 606-768-4131 for more info.

Even if you are not planning on participating, make plans to attend. The KY Horse Park will have many different events going on.

Just for Kicks Stables is planning a "Fun – Day", on July 8th at 1:00 p.m., KNGHA will have a Booth set up for Registrations, Memberships, Hats and T-Shirts. See enclosed flyer for complete info.

This will be up for discussion at the next BOD meeting, we will announce the date and location in the next newsletter and we will also post it on the web.
